add a pint of red wine, cover it with sheets of tin or iron, set it in a brick oven properly heated, and bake it three hours; when done, skim the fat from the gravy, thicken it with brown flour, add some mushroom and walnut ketchup, and serve it up garnished with forcemeat balls fried. It is still better when eaten cold with saind.

Peach Ple.

Take julcy and mellow peaches; peel, stone and slice them; then put them a deep pie plate lined with the under crust; sprinkle through them a sufficient quantity of sugar, equally distributed; put in about a tablespoonful of water; dust a little flour over the top; cover with a rather thick crust and bake nearly an hour.

For a Sweet Mouth.

Next to good teeth, a good taste is is a nice thing to have in the mouth. The best dental lotion is listerine. It retails at 75 cents a pint. It is colorless, odorless and not unpleasant to the taste. Being astringent, only a few drops should be used at a time; in a tumbler of cool water this preparation will disinfect the mouth and teeth, be cloth caps at \$1.35 are the very best for the mixture will remove the fumes that cling to the walls of the oesophagus. A few drops of myrrh is an old reliable; a squeeze of lemon juice in a glass of water is refreshing; and a teaspoonful of any good cologne water cleanse the mouth and perfume the

Barley Water.

breath.

sweetness.

Take a handful of pearl barley, wash it and put in a quart of water. Let it simmer for one hour; add sait, a little sugar and the juice of an orange. If too thick, add more water.

The Refinement of Scent. During the Directory the belies and landles carries the use of scent to an extreme that surpassed the wildest extravagance of the Greeks and Romans. Neck and sleeve laces, kerchiefs, caps, handkerchiefs and body garments were sprinkled with fragrant waters before being troned; fan sticks were made of sweet woods, and the covers of shell and pearl sticks were steeped in scent before the decorative work. A favorite perfume was the clove gillyflower, which was rubbed into the skin after the bath, and left the body exhaling

Potato Stew.

Boil a square of pickled pork in two quarts of water; when done, take out, score and brown in the oven. Add to the liquor ten sliced raw potatoes, two small onions sliced; boil half an hour; add a teacupful of milk and a beaten

The Perfect Woman.

These are the figures a perfec formed woman should have: Weight, 125 pounds; height, 5 feet 7 inches bust, 28 to 36; hips, 84 to 46 inches waist, 24, and neck 18 inchest hand for No. 6 glove; foot for No. 8 shoe. A plumb line dropped from the tip of her nose should reach a point one inch in front of her great toe. The arms hung when standing will allow the fingers to touch the centre of the thigh. The length of the leg should measure the distance from her chin to finger tip. The calf and arm should have the same circumference, and the

seck and thigh the same.

Claret Punch. Into a bowl of cracked ice put half pound of sugar, the juice of three large oranges and of two lemons, a pint of strong tea, a pint of rum and a

quart of claret.

Ridiculous Eton Caps. Down at Spring Lake there are boys with tutors, pretending to make up lost lessons. These young wags put in an

really a legitimate real estate office, and Thirty-first street was opened and running without the Captain of the precinct knowing anything about it. decisions in one day ought to convinceex-Capt. Doherty that there must be some mistake about the conclusion arrets the Park Board had.

CONVENTION OF QUAKERS.

.200 Hicksites Will Meet at Char paqua on Aug. 7.

The Hicksite Quakers of North America will meet in general Convention at Chappaqua, Westchester County, N. Y. on Aug 7. There will be 1,200 delegates present, representing the "meetings" of

A decision of great importance to the Canada. officers of the police force was reached. The Convention is called to discuss the

that at a certain time later was no levidence that the place was at all shoot of the Orthodox Society of Friends, who of that the place was at all shoot of the Orthodox Society of Friends, who have that the place was at all shoot of the Orthodox Society of Friends, who have that the place was at all shoot of the Orthodox Society of Friends, who have the orthodox of the Wo.

The decision, as far as police trials go, disposes of the theory that a Captain is responsible for the mere existence of a disorderly or illegal resort in his precinct on the ground that he ought to have discovered and suppressed it and that the simple fact of its existence is proof of his negligence and guilt.

The points laid down in this decision are that the Captain accused of having failed to suppress a violation of law must be shown to have known of such violation; that the violation must have
